

The Federal Communications Commission

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current service unaffordable.

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls. In other words, low-volume and primarily residential customers would bear the same universal service fund burden as a high-volume residential or business customers. This is unfair!

I use my wireless phone for safety, security and convenience. I don't want to lose these benefits so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair! IF ONLY YOU COULD SEE THE EXTREME BENEFITS THAT THESE LOWER RATE PHONES AND CALLING CARDS GIVE TO MAIN STREAM AMERICA YOU WOULD FIND IT UNREASONABLE TO MAKE ANY FEE HIGHER. IN THIS DAY AND AGE WHERE THERE ARE NOT MANY WAYS TO GET AN EVEN BREAK DON'T TAKE AWAY OUR OPPORTUNITY TO UTILIZE TRACFONE AND PREPAID PHONE CARDS! IF YOU DO MAKE THESE FEES HIGHER IT WILL ONLY DEGRADE AND HURT THOSE OF US WHO CAN'T PAY OUTRAGEOUS PRICES FOR THINGS THAT ARE NECESSARY IN THIS DAY AND AGE!! DON'T RAISE THE FEES!!!!

Sincerely,

AMY HALL
